We're looking for someone with a good understanding of basic repairs to buildings including electrical and plumbing. Whether it's fixing a fault with our static caravans or repairing one of our shower blocks' pipes, your sound maintenance knowledge and pragmatic attitude will enable you to provide an immediate response to fault finding and maintenance repairs, no matter how large or small.

The successful candidate will:

- Be a team player, with the ability to build strong working relationships with colleagues
- Take pride in their work
- Ideally be a skilled crafts person
- Be prepared to go the extra mile to get the job done
- Have a thirst for knowledge and learning
- Maintain high work standards
- Have initiative and confidence to put forward ideas
- Be approachable flexible

Benefits include access to free food and drink from our fabulous onsite bar and restaurant during your working hours.

Must be available to work some weekends and bank holidays.

Full time or part time positions available.

Salary dependant on experience.
